****Parking information on next page****

Peace Lutheran School has an upper and lower parking lot (in the back corner). The two drop-off entrances are accessed from the lower level. One is at the far end of the parking lot—on the side of the building, by the two yellow posts and the other is visible from the parking lot. Both will have easy access to the gymnasium.

There are a limited number of parking spaces in the lower parking lot. Please be considerate and only use the lower level for drop-off and handicap parking on Saturday and Sunday.

You will be able to enter the building from the upper level after you park there. Signs inside the door will direct you downstairs to the gymnasium. Elevator access is available at the end of the main hallway.

We are looking forward to having you all join us at Peace Lutheran!!
