

Laudate Selections
2025 Festival

I Want to Walk as a Child of the Light

Flute will accompany this selection with a relaxed tempo.

This popular tune has minimal bell changes and techniques.

The short original melody comprises the introduction, interlude and ending.

In the second stanza, the upper treble bells are played with mallets while the hymn tune is played with the low treble and bass. It will be important for the mallets to be played lightly so the melody is able to be the focus.

News! News!

This joyful arrangement is based on In Dulci Jubilo.

The text- Now Sing We Now Rejoice- keeps the treble and bass ringers busy as they share the melody using echo ringers, shakes, and martellato

We will obey the repeat.

It is Well with My Soul

This piece will have a piano accompaniment so the cue-sized notes will be omitted.

The relaxed tempo will make it easy for the accidentals (m.45-51).

The piece ends with the mallet attack.

I plan to give 2 extra beats for the fermatas.
